

Bull Infection Irresistible, And Market Goes Booming

LONDON ADVANCES EXCITE TRADERS

Prices Rush Upward Nearly
All Along the Line.

MANY TWO-POINT GAINS

Profit-Taking General, But All Offerings Readily Taken, Even on Slightest Recessions.

NEW YORK, Oct. 15.—The stock market opened today strong and higher. Louisville and Nashville gained 1 1/2, Baltimore and Ohio 3/4, St. Paul 1, Southern Pacific 3/4. Steel preferred 3/4, and Brooklyn Rapid Transit 3/4. General Electric rose 1/4. The market was extremely active. It took five minutes to print opening quotations. Steel common crossed 21.

London's sharp advances in American railway shares were promptly responded to and prices made further advances on excited dealings throughout the list. The buying impulse had no particular development to stimulate it, but the bull infection was irresistible. Advances of over 1 per cent were scored by St. Paul, New York Central, Baltimore and Ohio, Louisville and Nashville, St. Louis and San Francisco second preferred and some of the specialties. At the beginning of the second hour profit-taking was general, but bull sentiment continued dominant and a good buying power was developed on all recessions. Government bonds were unchanged; railroad and other bonds were strong and active.

The market closed active and in the main firm.
